Our Board of Directors wants to hear from the public before making a decision about what to do with the barn.

At the meeting, we will talk about the barn's current condition and possible options for the future.

If you attend the meeting online, you will receive a survey link so you may share your thoughts. Those attending in person may use the survey or share their thoughts that evening.

Everyone is invited!

Seating is limited. Please RSVP at
503-210-6000 or
