

RESIDENTIAL SEPTIC SYSTEM REPAIR LOAN PROGRAM
List of Pre-Qualified Septic System Contractors

July 2021 - June 30, 2024

The property owner must fill out a loan application. If the Conservation District agrees to make a loan, the property owner will be required to select a contractor who is on the Conservation District's List of Pre-Qualified Septic System Contractors to do the repair work.

All of these contractors are licensed by Oregon DEQ. Inclusion of a contractor on this list is not intended as an endorsement by Clackamas Soil and Water Conservation District or a guarantee of any contractor's performance.
