

Loan R22407 public hearing notice

This Public Hearing Notice must be published in a newspaper of general circulation. It has to be published twice, with at least 7 days between publication dates.

Lisa, could you find out from the Oregonian what the best dates are to publish this? I'm thinking Friday, January 6 and Friday, January 13, 2017, but if there's a better option on another day of the week, that's fine, too. -- Eann

### **Notice of Public Hearing**
