

STOP THE INVASION

Weed Management 101

Hood River, OR - May 19

This **free** class will teach you everything you need to know to **identify, report, and control** many of our most common and damaging invasive weeds and pests threatening the Columbia River Gorge. This is a fantastic learning opportunity for everyone, including home gardeners, landscapers, and land managers. Join in the fight to protect the scenic Columbia River Gorge from invasive species!

We have applied for 3 herbicide applicator CEU's for both Oregon and Washington. For more information, contact the CWMA Coordinator at (503) 210- 6015
